8th ANNUAL CHARITY GOLF TOURNAMENT

to support Scholastic Programming | Monday, October 1, 2018

It is the mission of the Saint Louis Chess Club, an educational organization, to maintain a formal program of instruction to teach the game of chess and to promote and support its educational program through community outreach and local and national partnerships to increase the awareness of the educational value of chess.
The Saint Louis Chess Club will host its 8th Annual Charity Golf Tournament to raise funds for our Scholastic Chess Initiative. Since 2008, the Chess Club has served nearly 30,000 students through in-school and after-school programming. In 2016, the Chess Club signed a partnership with the Saint Louis Public School District, incorporating chess during the school day. This partnership ensures that all underserved students in Saint Louis schools will receive the incredible benefits the game of chess has to offer such as improving study habits, staying focused and gaining academic confidence. Please join us in continuing to support and develop champions in the classroom!
