

## Corporate Sponsorship Opportunities

### SAVE THE DATE

Third Annual **Your Move Chess Program** Fundraiser  
**Thursday, March 7, 2019**

Help us create opportunities for  
Saint Louis students to move forward.

This program was started through a partnership between Ascension and the Saint Louis Chess Club, with the goal of bringing in-school and after-school chess programs to underserved areas within the Saint Louis Community. Currently, these programs are led by certified instructors at 13 schools in the Ferguson-Florissant School District, where over 450 students participated in 2017-18 school year.

Your contribution supports in-school and after-school chess in the Ferguson-Florissant School District and other schools in the Saint Louis area.

### Program Success Highlights

**86%** of students say they look forward to school more on days when they have the Chess Club

**83%** of students report that the Chess Club has taught them that they can complete difficult tasks if they work hard

**86%** of students report that the Chess Club has made them more confident that they can learn difficult material

**85%** of students report that their experience in Chess Club makes them want to challenge themselves more in the future

Research memo for 2017-2018. The Saint Louis Chess Club and Ascension work with Dr. Brian Kisida from the University of Missouri-Columbia to study the effectiveness of the in-school and after-school chess program for participating students.
