About the Caïssa Club

The Caïssa Club is named after the mythical Thracian dryad portrayed as the goddess of chess. Caïssa originates from the 658-line poem, *Scacchia, Ludus* c. 1565, by Italian Renaissance poet Hieronymus Vida, which describes a chess game on Mount Olympus between Apollo and Mercury in the presence of the other gods.

The Caïssa Club is a joint gift program which recognizes dedicated individuals, corporations and foundations who make a combined annual gift of \$1,000 or more.

Our Mission

The mission of the Chess Club and Scholastic Center of Saint Louis, an educational organization, is to maintain a formal program of instruction to teach the game of chess and to promote and support its educational program through community outreach and local and national partnerships to increase the awareness of the educational value of chess.

The mission of the World Chess Hall of Fame is to educate visitors, fans, players, and scholars by collecting, preserving, exhibiting, and interpreting the game of chess and its continuing cultural and artistic significance.
